Visitors will also be able to experience large-scale displays and detailed dioramas, discover the latest GUNDAM and GUNPLA products and information, and participate in experiences designed to celebrate the creativity and culture of GUNPLA building.

THE GUNDAM BASE has continued to expand globally, and as of September 2026, the network will include 4 locations in Japan and 34 locations overseas.

Opening alongside THE GUNDAM BASE SYDNEY, **TAMASHII NATIONS STORE SYDNEY** will be Australia's first permanent official TAMASHII NATIONS STORE and a new flagship destination for collectors in Oceania.
