

## Perth Beach Obstacle Course Race Returns to Scarborough Beach in 2025 – Bigger, Bolder, and Packed with Surprises!

Scarborough Beach, Perth – April 5th & 6th, 2025

The ultimate beach obstacle course experience is back! Perth Beach OCR, proudly presented by the City of Stirling, returns on April 5th & 6th, 2025, delivering an adrenaline-fueled weekend along Perth's iconic Scarborough Beach shoreline.

After making history in 2024 as the first-ever obstacle course at Scarborough Beach—and some say the entire state—this year's edition promises more lanes, exciting new obstacles, and an electrifying atmosphere for participants and spectators alike. Whether you're tackling the obstacles or joining the Beachraceco powered by Seagals and Manning Park Trails, there's a challenge for everyone.

Six Epic Race Options:

**The Mayors Throwdown!!!** Mark Irwin has put a throwdown to his colleagues to take him on a 2km version of the obstacle course. Bazil Z did a video stating he would take on the Mayor. More to come here... Who will take up the challenge? Will it be epic to watch...

**5km Obstacle Course:** Take on the beach, dunes, and a series of thrilling obstacles along Scarborough Beach. (April 5th & 6th)

**Beachraceco Powered by Seagals and Manning Park Trails + 5km Fun Run:** A 5km run-only race along the same scenic course—no obstacles, just pure speed. (April 6th, 7:00 AM)

**500m Kids Dash:** Perfect for the little adventurers, this exciting sprint lets kids experience the thrill of the event in a safe and fun environment. (April 6th)

**Trek4Vets Weighted Vest Wave:** Watch or participate as punters don weighted vests and take on the obstacle course. This unique wave, held on April 6th at 11:11 AM, gives participants a glimpse into the physical and mental struggles of military service members—all while promoting outdoor activity and raising funds for causes that make a real difference.

**<18s Obstacle Competition:** Young competitors can prove their skills and speed in a dedicated under-18s competition. (April 5th, 7:45 AM)

**PBOCR25 Championship OCR Race:** The ultimate test of strength, speed, and skill. The best obstacle athletes will go head-to-head for the PBOCR25 Championship title. (April 6th, 1:00 PM)

Apart from these competitive races, all other waves are designed purely for fun—no pressure, just an epic beach day experience.
