

## Set Sail! PrizePop Launches The ‘Choose Your Cruise’ Giveaway

**Sydney, Australia – November 2025:** PrizePop, Australia’s fastest-growing destination for premium prize draws, is making waves again with the launch of its “*Choose Your Cruise*” giveaway, where one lucky winner gets to pick their own dream adventure at sea!

The prize? A seven-day cruise for four people to one of four incredible destinations: New Zealand, the Australian East Coast, the Pacific Islands, or Vanuatu. Whether it’s exploring New Zealand’s breath-taking fjords, snorkelling the Great Barrier Reef, or unwinding under the tropical skies of Vanuatu, the winner will have the freedom to choose their own perfect adventure at sea.

Onboard, the lucky winners will enjoy the full Carnival Cruise Line experience! World-class dining, dazzling entertainment, and endless ocean views from sunrise to sunset. From pool decks and spas to comedy shows and kids’ clubs, Carnival’s ships are floating resorts packed with everything needed for the ultimate escape.

“After the excitement of our Hamilton Island giveaway, we wanted to create something that feels even bigger...something that’s all about freedom,” says Ethan from PrizePop. “*Choose Your Cruise* is about giving Aussies the chance to decide what their perfect escape looks like: from relaxation to adventure, and everything in between!”

Entries start from just \$1, making it one of the most accessible luxury travel giveaways in Australia. The live draw will take place on 28 November 2025, with the winner announced across PrizePop’s social channels.

And because every great trip deserves great entertainment, PrizePop is also giving the first 500 Gold and Platinum Members a 12-month Netflix subscription: the perfect companion for your pre-cruise binge sessions.

Full competition details, entry options, and Netflix offer terms are available at [www.prizepop.com.au](http://www.prizepop.com.au).
