- Supporting life-saving CPR training in your community

About Wild Things Run

Brothers Pat and Andy O’Donnell, alongside Kellie O’Donnell, have created something special with Wild Things Run. Their acclaimed show, *The Road to Laurel Canyon*, captures the spirit of this remarkable musical era with impeccable vocal harmonies and heartfelt performances. At the heart of Wild Things Run is a simple joy: three voices coming together to share the songs they love.

Why this Matters

In August 2021, Dave Winner's life was saved by bystanders trained in CPR after he was submerged while surfing. Inspired by this experience, the Winner Foundation is dedicated to ensuring every Australian has access to free CPR training. Every ticket purchased for this event helps the Foundation develop an innovative training app, enabling it to reach its goal of providing free CPR training to 1 million Australians by 2030. The app will make training more accessible, so anyone can gain the confidence and skills to act in an emergency.
